

Applying for Grants Administered by PIE 2017-18

All grants administered by PIE are available on Google Docs at this link (or visit cravenpartners.com/programs for a link):

<https://drive.google.com/a/craven.k12.nc.us/folderview?id=0B19oD2-jDW7FYzBZQjlsdWVPZFE&usp=sharing>.

Be sure that you are signed into google through Craven County Schools. The grants are in the "everybody" shared drive.

The Aspire to Inspire, International Paper, TRAA Art, Chevrolet of New Bern Tech, Wells Fargo Tech, Nationwide-Brinson Insurance Agency, and PIE Grants are available as fillable pdfs. They are also available as word documents - please be mindful of the character count when filling out the word document.

- If using the fillable pdf, you will need to download the document (from google drive) onto your computer and open with Adobe Reader in order to fill in the document.
- Or, you can use the Word Document format (be mindful of character counts).

Opening grants with Adobe Acrobat:

The fillable pdfs were created as an **Adobe Acrobat®** file. Therefore, in order to complete the **pdf**, you will need to have a version of **Acrobat®** on your computer. Most computers come with the program pre-installed. However, if you find that the program is not resident, you will need to go to <http://get.adobe.com/reader/> to download a **free version** to your computer.

- **Be sure to save your grant (“save as”) when you first open the document.** This will create a unique document for your grant on your computer. That way, you will be able to save your work at any stage, review it, and finally (when you are ready to submit), you can print the form out.

Once completed, the grant application should then be printed. Print at least two copies of the completed grant application—one for your records and one to submit (*with any other required documentation*) to:

**Partners In Education (Craven County Schools Central Services)
3600 Trent Road
New Bern, NC 28562**

Every effort has been made to assure the grant applications are easy to use. However, if you should experience difficulties, please contact Darlene Brown at 514-6321 or Darlene.Brown@Cravenk12.org .

Note: The Bate Foundation Individual School Grants and the Governor Cooper Literacy Grants are to be submitted using a word document. See each grant's RFP for specific instructions.
